

RALPH LAURENZ CUNANAN TIMBOL

timbolralphlaurenz@gmail.com | +63 921 578 1684 | linkedin.com/in/ralph-laurenz-timbol | Pampanga, Philippines

PROFILE SUMMARY

Computer Engineering graduate with experience in manual and automated software testing using Playwright. Skilled in Python, JavaScript, and embedded systems, with a solid foundation in networking and database management. Detail-oriented and capable of contributing to reliable, high-quality software.

EDUCATION

TERTIARY

System Plus College Foundation – GPA: 1.34

Bachelor of Science in Computer Engineering

S.Y. 2022 – 2026

Angeles City, Pampanga

WORK EXPERIENCE

Associate Software Engineer Trainee

Cloudstaff Philippines Inc.

January 2026 – April 2026

Angeles City, Pampanga

- Conducted manual testing to identify bugs and ensure software functionality and usability
- Developed and executed automated test scripts using Playwright for web application testing
- Assisted in creating and maintaining test cases and test documentation.
- Collaborated with developers and QA team to validate fixes and enhance product quality.

RECENT PROJECTS

IoT-Based Beehive Monitoring and Feedback System

- Built and deployed a full-stack web application on Hostinger using PHP and MySQL, incorporating frontend development, REST APIs, CRUD operations, ESP32 real-time data integration, IoT hardware assembly, and solar-battery power supply.

TECHNICAL SKILLS

Programming: Python, JavaScript, Assembly Language

Testing: Manual Testing, Playwright Automation

Embedded Systems: Arduino, ESP32, Raspberry Pi

Networking: Basic configuration and troubleshooting

CERTIFICATIONS & SEMINARS

- CCNA: Introduction to Networks – Cisco (Jan 2025)
- CCNA: Switching, Routing, and Wireless Essentials – Cisco (Jun 2025)
- CCNA: Enterprise Networking, Security, and Automation – Cisco (Mar 2026)
- Exploring the Internet of Things (IoT) for Thesis Prototype Development: Innovative Solutions for Real-World Challenges (2025)
- ICpEP Digital Transformation in the 21st Century: Best Practices for Organizational and External Engagement (2025)
- SEMICON CONNECT: Bridging ECE & CpE to Industry (2026)
- Software Engineering and Testing in Today's Industry (2026)
